WHERE OUR FUNDRAISING EFFORTS WILL GO?

John Mitchel's GAC, Ballygalget, is delighted to have received a £200,000 grant through the Northern Ireland Rural Development Programme, funded by DEARA, and funding support from Ards and North Down Borough Council to provide a 'state of the art' Health and Well-Being Centre comprising of a fitness suite with 24 hour access, changing facilities, disability access and a Well-being Room.

This provision will create greater opportunity for the residents of our area to lead more healthy and active lifestyles and easily access leisure and well-being facilities that most others within the Ards and North Down Council area already have.

We look forward to the construction of the £360,000 building and its opening in Spring 2018 and are now fundraising to finance the project.

Please support our fundraising efforts to make this vision become a reality for our community.
